## ON LINE BUYING GUIDE

**94** **Krutz 2007 Krupp Vineyard Malbec (Napa Valley); \$50.** A brilliant Malbec, among the greatest ever produced in California. It's fat and opulent, shocking the palate with massive flavors of blackberries, blueberries, plums, cola, peppery spices and sweet, smoky sandalwood. Firm tannins hold everything in place, while the finish is thoroughly dry. Only 100 cases were produced, but it's worth a search. ***Editors' Choice.***
